Redlands College
C/- The Foundation Bursary Fund
38 Anson Road
Wellington Point Q 4160

The Fund

The Bursary Fund was developed in 1989 to provide school fee assistance to families who were experiencing financial difficulties.

Without the generous donations of staff, parents and other associates of Redlands College, some families would have to leave the supportive, caring environment of Redlands College to search for a new school, adding to an already stressful situation. The Bursary Fund endeavours to avoid this by providing fee assistance.

The Redlands College Foundation expresses its gratitude to those who have supported this ministry in the past.

How to Donate to the Fund

Tax Deductible donations may be given as either a lump sum annually or in small regular payments. See the side panel for details. Donors may pay with cash, cheque or credit card. Cash is only payable over the counter at Public Reception.

If the donor is a staff member at Redlands College, the donation can be deducted from their pay. Please see the Administration Manager for more staff details.

Applying for Fee Assistance

College families are able to apply for fee assistance while in financial hardship. Each situation is assessed and approved according to the need. The Bursary Fund allocates an average of \$50,000 for families each year.
